

3/23/20... Due to Indiana's "stay at home" requirement, unfortunately, we will not be able to open up our sanctuary for Holy Communion as we had originally planned. Our pastors will not be able to make any home visits at this time either. However, we will still live stream our Wednesday evening service @ 6:30 p.m. and our Sunday morning service @ 9:00 a.m. on Facebook. See note below.

We will broadcast our Sunday morning worship service live at 9:00 a.m. on our St. Paul's Facebook page. The service will be Divine Service One. A copy of the service will be posted on our Facebook page each Friday so you can follow along on Sunday morning. Only the pastors, Tim, someone who is recording, and an occasional soloist will be present during worship.

We will also broadcast our Lenten midweek services at 6:30 p.m. on Wednesday, March 25th and April 1st.

If you are not able to watch our services live, they will still be linked on the Facebook page.

Obviously, we still have need for offerings and ongoing support to operate our congregation, school and other vital ministries. Please consider mailing your offerings to the church office. This would also be a good time to consider signing up for our online giving program. It's beneficial for the church and convenient for you. You can go to St. Paul's website, www.stpaulslcms.org, and click on "online giving." You can cancel at anytime.
